

LeapEd Services Sdn Bhd is a home-grown Education Service Provider delivering school transformation and improved practices in Malaysian schools. A wholly-owned company of Khazanah Nasional Berhad, we design and deliver programmes that help transform learning and teaching in a diverse and growing number of schools across the country through the Yayasan AMIR Trust Schools Programme.

We invite qualified, committed, energetic and professional candidates to apply for the following position:

Programme Developer

Location: Kuala Lumpur

Responsibilities:

Support the Manager with an effective design, delivery, impact assessment and enhancement of all LeapEd programmes and products in order to achieve high quality outcomes in teaching and learning in Malaysia.

- Design and develop instructional material and pedagogical tools to positively affect school transformation within the Malaysian education landscape
- Develop the Education Strategy and direction of the Company and its programmes
- Design and support implementation of all education programmes
- Steer quality assurance (QA) of LeapEd programmes and products.

Requirements:

- Minimum Bachelor's degree in Education or equivalent
- Project Management certification is desirable
- Experience and sound knowledge in education with a minimum of 5 years in teaching, school management and/or leadership roles
- Experience in the development and implementation of education standards in a range of settings
- Experience in the design and development of strategies, framework and content of effective programmes for education professionals including (but not limited to) teachers, school leaders and Ministry of Education staff.

To apply, please submit your resume and cover letter to: hr@leapedservices.com
