

LeapEd is the first homegrown Malaysian Education Service Provider to undertake school-wide education transformation. A wholly-owned company of Khazanah Nasional Berhad, it is a social enterprise with the distinction of being the designer and implementation partner to Trust Schools Programme, the nation's pioneer public schools transformation programme, operating in partnership with Ministry of Education Malaysia. Beyond Trust Schools, LeapEd's involvement in schools transformation include Ground Up School Transformation ("GUSTO"), Program Sekolah Transformasi ("PRESTASI") and AMAN Project in Kedah.
