

## PROGRAMME INFORMATION

### COURSE TITLE:

# Masterclass Seminar with Dylan Wiliam: “Harnessing AI and AFL Strategy for Educational Breakthroughs”

HRD Corp Claimable Courses – Programme Code: **10001449442**

### Course Summary

This one-day seminar by world-renowned educationist, **Prof Dylan Wiliam**, is his **first-ever masterclass** in Malaysia—a groundbreaking event that promises to revolutionize the way you think about education! Join Dylan up close and personal for a masterclass that dives deep into the critical issues of modern education. Explore why previous attempts to elevate educational achievement have fallen flat and discover how teacher quality can be the game-changer we've been overlooking.

Prepare to be inspired as Dylan unveils strategies to equip young people for a future beyond our imagination, where creativity and adaptability reign supreme. Plus, get an exclusive look at how AI could transform the classroom, while tackling the ethical dilemmas it presents. This is your chance to be at the forefront of educational innovation—join us for an experience that will change the way you see the future of learning. This is a must-attend event for anyone passionate about quality education!

## **SPEAKER PROFILE**

### **DYLAN WILIAM**

Dylan Wiliam is Emeritus Professor of Educational Assessment at University College London. In a varied career, he has taught in urban public schools, directed a large-scale testing program, served a number of roles in university administration, including Dean of a School of Education, and pursued a research program focused on supporting teachers to develop their use of assessment in support of learning.

Over the last 15 years, his academic work has focused on the use of assessment to support learning (sometimes called formative assessment). He now works with groups of teachers all over the world on developing formative assessment practices.

His recent work has focused on the use of assessment to support learning

## **MODERATOR PROFILE**

### **NINA ADLAN DISNEY**

Nina is a Malaysian LSE graduate (LL.B and LL.M) and was called to the Bar (Middle Temple). She has been involved in the Malaysian education system for the past 30 years, as a lecturer, researcher, consultant, publisher, and most importantly, as a mother of three! She has held a variety of leadership roles covering the entire spectrum of learning and development, including Law Faculty Dean at HELP University, CEO of Malaysia Airlines Academy and CEO of Asia Pacific Schools.

She is currently the Managing Director at LeapEd Services, where she works with a team of like-minded social 'edupreneurs' to design, develop and deliver meaningful and high-impact education transformation programmes. In 2021, she was awarded a Lifetime Achievement Award for Education Excellence from KSI Strategic Institute for Asia Pacific and was appointed as an Adjunct Professor for Strategic Education Planning at UNITAR International University.
